

## **Enhanced Public Health Programme Working Group**

### **Briefing Note for the PHPB**

#### **Purpose of Group:**

A sub group of the PHPB has been set up with the aim of co-ordinating the delivery of the EPHP's.

It provides the public health leads with the opportunity to find out about discussions and decisions being made at PHPB and SFHW level and to feedback issues and solutions.

In addition it gives the public health leads the chance to exchange learning and good practice and work together to maximise citywide opportunities, e.g. funding bids.

The key objectives of the group are:

- To share information and learning across programmes
- To provide a feedback mechanism between PHPB and Public Health Leads

#### **Management and Administration arrangements:**

- Meets bi-monthly in between PHPB meetings
- Chair: Jeremy Wight
- Management and Administration: Health Partnership Team
- Agenda to include linkages across LAA, Choosing Health priorities, SFHW priorities
- Attendees: Public Health Leads from EPHP's, Health Partnership Team, Jeremy Wight
