

Health Partnership Managers Report: Management and Operations

Purpose: A regular report from the Health Partnership Manager on the management and operations of Sheffield First for Health and Well-being Partnership Board (SFHW) highlighting any issues or important events and changes.

Key Points to Note and Decisions for SFHW

For information only

1. Future Agenda and Events

- See Annex One for update

2. Public Health Partnership Board

- A briefing note summarising the Public Health Partnership Boards most recent activities and decisions is provided in Annex Two.

3. Health Scrutiny Update

- Please see Annex Three for a copy of the draft Health and Community Care Scrutiny Programme.
- There has been a successful bid to the Centre for Public Scrutiny for a health scrutiny review of the transitional period for young people with mental health problems from age 16-18.

4. Other News

- Sheffield First for Health and Well-being Newsletter for July 05 has been published
- Sheffield has been shortlisted for the Partnerships for Older People Projects
- The Dorothy Dixon Barrow Awards are being made at the Public Health Gathering on 20 July 05.
- The Health Policy Team in the ODPM Neighbourhood Renewal Unit visited Burngreave NDC to learn about how PCT's can engage with NDC's and have asked for further information regarding Sheffield First for Health and Well-being and general partnership working across the NHS and Sheffield City Council.

Roz Davies, Health Partnership Manager
July 05
