Report to Sheffield First Health & Well-being Partnership Board

| | | | |
|---|---|---|-------------------------------------|
| Title | Pathways to Work - South Yorkshire | | |
| Author(s)/Presenter | Clare Norfolk | | |
| Date of Meeting | 18 September | | |
| Lead Partnership | Jobcentre Plus | | |
| Purpose of Paper | To provide information about Pathways to Work Programme | | |
| Key Messages (Maximum 5) | | | |
| <ul style="list-style-type: none"> • Pathways to Work Programme commences 29 December 2006 in Sheffield • Incapacity Benefit customers are currently the largest group of Benefit claimants • Many say they would like to work but lack the confidence, skills and motivation to return to work. • Pathways to Work provides a significant package of support to help Incapacity Benefit customers back into work | | | |
| Summary of Decisions for SFHW Partnership Board | | | |
| <ul style="list-style-type: none"> • To support the implementation of Pathways to Work in Sheffield, including the delivery of Condition Management programme in partnership with the NHS | | | |
| Related Sheffield First Health and Well-being 2010 Strategy Objectives/Priorities | | | |
| Objectives (Please place an X in the box next to each relevant objective, see Strategy for full description) | | | |
| 1. Develop strategic approach to public health | <input checked="" type="checkbox"/> | 4. Improve partnership working for health | <input checked="" type="checkbox"/> |
| 2. Ensure healthy approach to ageing | <input type="checkbox"/> | 5. Share learning & raise Sheffield's profile | <input type="checkbox"/> |
| 3. Develop healthy approach to policy & planning | <input checked="" type="checkbox"/> | 6. Work jointly with other Partnership Boards | <input type="checkbox"/> |
| Priorities (Please detail relevant priorities from Strategy, e.g. 2.2. Re-engineer health and social care services for older people) | | | |
| How does this work support the reduction of inequalities? | | | |
| <p>Incapacity Benefit customers represent the largest group of benefit claimants and the highest concentrations of Incapacity Benefit customers live in areas of high deprivation. Helping Incapacity Benefit customers back into work improves health, financial and social outcomes for these individuals.</p> | | | |
