

Agenda Item 6b

Sheffield First

Health & Well-being

PARTNERSHIP

**Health Partnership Managers Report: Management and Operations
26 July 2006**

Purpose: A regular report from the Health Partnership Manager on the management and operations of Sheffield First Health and Well-being Partnership Board highlighting any issues or important events and changes.

Key Points to Note

1. Communities for Health Funding has been reopened and Sheffield has been invited refresh and resubmit our existing proposals
2. SFHW is a partner in a regional bid to the Big Lottery Well-being Fund which could bring £1.7 Million into Sheffield

1. Future Agenda and Events

(See Annex One for SFHW forward programme)

2. Public Health Partnership Board

The last meeting of the Public Health Partnership Board considered:-

- § The development of a vision for Public Health in Sheffield
- § Enhanced Public Health Programs Progress Report and Role Out Review
- § LAA Black and Minority Ethnic Communities Enhance Public Health Focus
- § The Children and Young Peoples Plans
- § The Yorkshire and Humber bid to the Big Lottery Well-being Fund

3. Older Peoples Partnership Board

The Older Peoples Partnership Board has not meet since this boards last meeting

4. Health and Community Care Scrutiny

The last meeting of the Health and Community Care Scrutiny considered:-

- § Older People's Services Plan 2006-7
- § Learning Disabilities Service Plan 2006-7
- § Physical & Sensory Disabilities Service Plan 2006-7
- § Promotion of Social Model of Disability
- § Mental Health Services Plan 2006-7

5. Health Partnership Team

- § **COMMUNITY'S FOR HEALTH:** Communities for Health Funding has been reopened and Sheffield has been invited refresh and resubmit our existing proposals which focus on promoting Smoking Free Homes, Community Health Champions Network, Improving Sensible Drinking, Increasing Activity of Older People projects, Improving Diet and Nutrition, Improving Accessibility to Services Healthy Lifestyle Choices and Evaluation and Dissemination
- § **BIG LOTTERY WELL-BEING FUND:** the team has been supporting the development of the a regional bid to the Big Lottery Well-being Fund (see separate report to this meeting)
- § **STRATEGY FOR AN AGEING POPULATION:** The team is currently supporting the Older People's Citizen and Inclusion Group in developing an action plan. This has included organising a workshop with key delivery partners 5 June and a consultation event with older people to help identify short-term priorities on the 10 July. The draft action plan is due to come to SFHW in September
- § **COMMUNICATIONS PLAN:** the team has been working with communications leads in partner organisations to develop a communications plan for the partnership (see separate report to this meeting)
