Dear All,

Sheffield First for Health Partnership: Meeting 1pm – 4pm, 7 February 2005, Town Hall

We are writing to you to highlight the importance of the next Sheffield First for Health Partnership meeting.

As you are aware, there are currently some fundamental national policy changes and local developments impacting on our work, including:

- Choosing Health White Paper
- Local Area Agreement Pilot
- Review of the City Strategy and the Sheffield First framework
- Growing Public Health agenda

The next Partnership meeting on 7 February offers us a timely opportunity to consider how we as a Partnership can respond to these challenging and rapidly evolving developments.

The outcomes from the meeting will be an important part of setting the direction of the Partnership for the next three years. We are sure you will agree it is vital that the full range of representatives attend and contribute to this highly significant meeting.

Full agenda and papers will be out shortly.

If you have any queries, please contact our new Health Partnership Manager, Roz Davies (roz.davies@sheffield.gov.uk or 0114 273 5869).

We look forward to seeing you on the 7 February 05.

Yours sincerely
