

Report to Sheffield First Health & Well-being Partnership Board

Title	Meeting the challenge - Sheffield Director of Public Health Report 2006
Author(s)/Presenter	Dr Jeremy Wight, Director of Public Health, Sheffield City Council and Primary Care Trust
Date of Meeting	20 March 2007
Lead Partnership	Sheffield First Health and Well-being
Purpose of Paper	To provide an assessment of the health of the city's population and make recommendations on action to address key health challenges
Key Messages (Maximum 5)	
<ul style="list-style-type: none"> The Local Government White Paper identified a key role for LSP Health and Well-being Partnerships in the implementation, monitoring and evaluation of DPH reports This year's report for Sheffield sets out a detailed assessment of the health of the city's population which in many ways has never been better However there are aspects of health that are not improving as quickly as we would want or where there is a new potential threat to health and 10 key challenges have been identified 	
Summary of Decisions for SFHW Partnership Board	
<ul style="list-style-type: none"> The Board is asked to agree its approach to the implementation, monitoring and evaluation of the Sheffield Director of Public Health Report 2006 and agree the actions it will take to address the priorities identified All partners are asked to consider how they will respond to the priorities and recommendations set out in the report
